18. What are the reasons for innoculating legume seeds before pla	anting
---	--------

(1 mark)

Answer all the guestions in this section in the spaces provided.

The diagram below illustrates a method of crop propagation. 19.

Identify the method of propagation. (a)

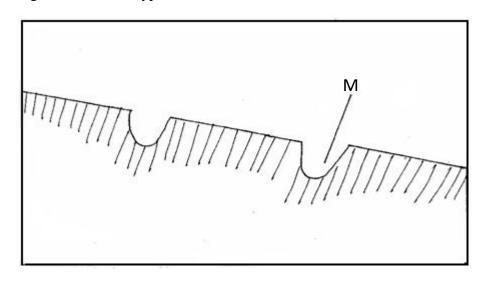

(1 mark)

Name a common crop propagated through the method. (b)

(1 mark)

(c) Name three advantages of this method. (3 marks)

20. The diagram **below** is a type of a terrace.

Name the type of terrace illustrated above. (a)

(1 mark)

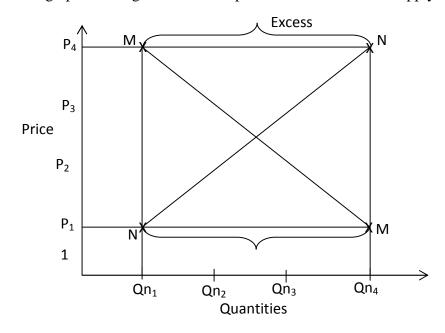

Give the name of the part dabeled \mathbf{M} in the diagram. (b)

(1 mark)

State the limitations of this terrace. (c)

(1 mark)

for Mote fitee **Below** is a graph showing the relationship between Demand and Supply in price determination.

Name the curve M and N. (a)

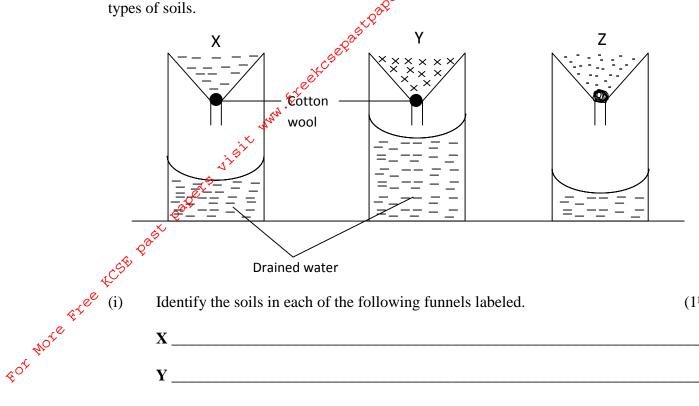

(1 mark)

State the name given to the point where the **two** curves **M** and **N** intersect. (b)

(1 mark)

(c) Give **two** reasons why there is excess supply above P_4 . (2 marks)

The experiment **below** was set to compare the porosity and water holding capacity of three different 22.

Identify the soils in each of the following funnels labeled. (1½ marks)

Which of the types of soil can be said to have the highest porosity rate? (ii) (½ mark)

(iii) Give reasons for your answers in (ii) above. (2 marks)

Which type of soil would be suitable for planting paddy rice? (iv) (1 mark)

SECTION C: (40 MARKS)

Answer any **two** questions from this section in the spaces provided after the section.

- 23. (a) Discuss the production of maize for grain production from land preparation to harvesting. (20 marks)
- 24. (a) Outline six benefits for practicing minimum tillage. (6 marks)
 - Give the **main** reasons for practicing crop rotation. (b) (6 marks)
 - (c) Outline the benefits of primary cultivation. (4 marks)
 - (d) Outline **four** importance of organic matter in the soil. (4 marks)

Agriculture Paper 1

25.	(a)	Describe five factors which influence Demand of a commodity in a perfect market situation. State and explain five marketing functions.	(10 marks)
	(b)	State and explain five marketing functions.	(10 marks)
