Additional information:

1. The inventory as at 31 Marc 2020 was valued Sh.1,570,000.

2. As at 31 March 2020, retrowing was Sh.90,000 and Sh.25,000 had been paid in advance for insurance. Both these expenses are chargeable 60% to distribution and 40% to administration.

Interest on 6% loan accrues yearly.

4. Corporate tax is provided at 30% per annum.

5. Depreciation to be provided per annum at the following rates:

- Property: 2% on cost, chargeable 50% distribution and 50% administration.
- Plant and equipment: 10% on cost, chargeable 60% distribution and 40% administration.

Motor vehicle: 20% reducing balance, all chargeable to distribution.

6. Allowance for doubtful debts is to be set at 5% on trade receivables balance at the end of the year.

 Administrative costs include Sh.350,000 in relation to spending on research and development of a new product. The product is set to go on sale on 1 April 2020 and the revenue from the product is expected to cover all costs of production.

Required:

Statement of profit or loss for the year ended 31 March 2020.

(8 marks)

(ii) Statement of financial position as at 31 March 2020.

(8 marks)

(Total: 20 marks)

# **QUESTION THREE**

Limau Stores has two branches; Nairobi branch and Eldoret branch. The following financial statements were extracted from the books of both branches of Limau Stores for the year ended 31 March 2020:

| Income statement                          | Nair               | robi         | Eld             | oret                                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
